Here at Queensway Retirement Community we have introduced a couple new programs; thanks in part to the 34th annual Senior's month that happened in June.

Our first program happens every other Wednesday it's a walking program to encourage our residents to remain active and enjoy the beautiful weather with one of our staff members.

The second program is our baking club, we have made a variety of items with the help of our residents; once baked the residents enjoy these delicious treats with a meal or during an activity/event.

Pictured below are a few of our recent creations, keep in mind all these yummy desserts are made in the crockpot.

Rocky Road Brownies, Applesauce Cake, Birds Nests
